

A Thousand Beautiful Things
Annie Lennox

Dm9

Every day I write the list

Gm7

Of reasons why I still believe they do exist

A7 **Dm9**

(a thousand beautiful things)

Dm9

And even though it s hard to see

Gm7

The glass is full and not half empty

A7 **Dm9**

(a thousand beautiful things)

Gm **A7** **Dm9** **Gm**

So... light me up like the sun

A7 **Dm9** **Gm**

To cool down with your rain

A7 **Dm9** **Gm** **A7**

I never want to close my eyes again

Bb

Never close my eyes

A7 **Dm9**

Never close my eyes

I thank you for the air to breathe

The heart to beat

The eyes to see again

(a thousand beautiful things)

And all the things that s been and done

The battle s won

The good and bad in everyone

(this is mine to remember)

So ...

Here I go again

Singin by your window

Pickin up the pieces of what s left to find

The world was meant for you and me

To figure out our destiny

(a thousand beautiful things)

To live

To die

To breathe

To sleep

To try to make your life complete

(yes yes)

So ...

Light me up like the sun

To cool down with your rain
I never want to close my eyes again
Never close my eyes
never close my eyes ...
That is everything I have to say
(that s all I have to say)
