

The Gift

Annie Lennox

Intro: G C G C Am Em D G (played over do do do...)

G

Darling don t you understand I feel so ill at ease

C

The room is full of silence and it s getting hard to breathe.

G

Take this guilded cage of pain and set me free

C

Am Em D

Take this overcoat of shame, it never did belong to me.

G

It never did belong to me.

G

I need to go outside, I need to leave the smoke,

C

Cause I can t go on living in this same sick joke.

G

It seems our lives have taken on a different kind of twist

C

Am Em D

Now that you have given me the perfect gift

G

You have given me the gift.

G

Bb

For we have fallen from our shelves.

F

G

To face the truth about our selves.

G

Bb F

G

And we have tumbled from our trees. Tumbled from our trees.

C

G

And I can almost...I can almost hear the rain falling.

G

C

Don t you know it feels so good. It feels so good.

Am

Em D

So let s go out into the rain again.

G

Just like we said we always would.

End **D F E Am D G**

Hope you like the song as much as I do. Rory Strentz
