I m gonna give you what it takes, my universal child.

I m gonna try to find a way to keep you safe from harm.

I m gonna be a special place, a shelter from the storm.

And I can see you, you re everywhere, your portrait fills the sky.

I m gonna wrap my arms around you, my universal child.

And when I look into your eyes, so innocent and pure.

C Am F C F G C  
I see the shadow of the things that you ve had to endure.

C Am F C F G C  
I see the tracks of every tear that ran right down your face.

C Am F C F G C  
I see the hurt, I see the pain, I see the human race.

C F C F C F G Am G  
I can feel you, you re everywhere, shining like the sun.

C Am F C F G C  
And I wished to god that kids like you could be like everyone.

C Am F C F G C  
How many tumbles must it take before you learn to fly.

C Am F C F G C  
I m going to help you spread your wings, my universal child.

I m gonna try to find a way to keep you safe from harm.
