Outside it rains I m drinking tea
watching wars from tv
Ideas pile, attack my brain
ran a mile but still in pain

When it s all said and done
will you have said more than you ve done?
Is it worst to fail than never try?
Am I living for real or just being alive?

What to believe?
Why fight to win?
When to give in?

What is a soul, where does it go?
Do you think we ll ever know?
Where do I go when I die?
Could there be more than what meets the eye?

What s the purpose of all this?
And when it s done what did I miss?
My tea is cold, questions unsolved
The rain goes on and I grow old

What to believe?
Why fight to win?
When to give in?
