

**I Dont Suppose Ill Get A Second Chance
Another Sunny Day**

D F#m
I look around, what do I see?
Em G A7
Everyone is arm and arm, side by side
D F#m
Never used to bother me
Em G A7
But it can t help the way I feel inside
Bm F#m
Knowing what could be
Em G A7
If only to myself I hadn t lied but I
D F#m Bm
I threw away my one romance
Em G D
Now I don t suppose I ll get a second chance

I wish I could go back
I wish that I could change the past around
And see where I d be now
If I had only known just what I d found
I wish that I knew then
What I know I now but oh, that s such a sad, sad sound
D F#m Bm
In the end it s all in vain
Em G D
Now I suppose I ve only got myself to blame

D F#m Bm
I guess I ll move back to Penzance
Em G F#m Bm
Cause I don t suppose I ll get a second chance
Em G
No, I don t suppose I ll get a second
