

Ball And Chain
Anouk

Ball and chain, Anouk tabbed by John Muijsers

Dm
I know the drill,
Csus2
Youâ€™ve got your ball and chain
Dsus2
It holds you down the circle round
Csus2
This story stays the same
It wonâ€™t be long
Dm Csus2
And then your heart is frozen
Gsus4/G
The time has come to break away
Dm
Youâ€™ve got it all
Bes F
What makes you hesitate
C
Donâ€™t just wait for things
Dm Bes F C
To blow up in your pretty face
Lift the weight
Dm Bes F
Try not to let it slip away
C Gsus4/G
And you might find yourself again
F C Dm Bes
I feel
F C Dm Bes
People just donâ€™t know you like I do
F C Dm Bes
Why youâ€™re making it so hard to see
Gsus4/G
When thereâ€™s something wrong
Dsus2 Csus2
It goes on and on

I know the drill
Youâ€™ve got your ball and chain
I found out the second round
That some things never change
Open my eyes, and let the days come over me
And maybe itâ€™ll go away

I feel, people just donâ€™t know you like I do

Why youâ€™re making it so hard to see
When thereâ€™s something wrong
On and on and on youâ€™ll see
Not everybodyâ€™s here to
Break your heart
So there is a price to pay
To be someone youâ€™re not

I know the drill
Youâ€™ve got you ball and chain
I found out the second round
That some things never change
Open my eyes
And let the days come over me
And maybe itâ€™ll go away
