Do any of your ladies ever get tired,  
not knowing where you stand?  
But still you can help yourself  
from nothing than me.

Think about all your lies  
as I walk away from you.  
Leaving me here to cry,  
there s nothing left to do.  
So get out of my life,  
I won t make up my mind no!

No I won t play that game no more.  
No more  
No more  
No more  
I had enough  
I had enough  
No more
