

Hindenburg Lover
Anson Seabra

D
We were floating for days

A
We were flying the way

Bm
That doves do

G
And I loved you

D
We were sailing the sky

A
Watch the clouds passing by

Bm
Like a dreamland

G
Where should we land

D
We were invincible

A
That's what they said

Bm
So indivisible

G
Wherever we went

D
Higher than high, yeah

A
I guess that we had it all

Bm
Light up the sky and then

G
We thought that we'd never fall

D **A**
You were my Hindenburg lover we were flyin away

Bm **G**
But then we took a wrong turn and it was all up in flames

D **A**
And now I'm starin at the wreckage tryin make it okay

Bm **G**
Oh yeah

D **A**
I guess I got burned from the scars on my heart

Bm **G**
But I'd be lyin if I said I didn't know from the start

D

That there was just something in between us

A

That would tear us apart

Bm G

Oh, yeah

D

I can still see your face

A

Looking back through the flames

Bm

And I search it

G

Was it worth it

D

No I don't mind the smoke

A

But your tears make me choke

Bm

Are you okay?

G

Should I go away?
