

Im Alive
Ansoticca

Capo 2, it doesn't sound perfect at all but totally usable for singing it around a campfire and stuff.
(Remember you've to sing the refrain higher than the verses so it sounds like in the original song)

Am
This is the life that
 Em
Leaves us restless
 E7
It's the end of all that
 Am
We have known before

The search for beauty
 Em
Leaves us breathless
 E7
In these days where nothing
 Am
Matters anymore

Em **E7**
This is not our dying

G **D** **Am**
I'm holding on
G **D** **Am**
Flying to the sun
G **D** **Am**
Keep holding on
G **D** **Am**
Til I'm alive

(It's the same it before, quite easy I think)

This is the time that
Built resistance
Stole the innocence of
An illusive dream

We're fighting back to
Close the distance
For the change that
Has to come

And set us free

This is not our dying... !

I m holding on
Flying to the sun
Keep holding on
Til I m alive
