

Im Alive
Ansoticca

Capo 2, it doesn't sound perfect at all but totally usable for singing it around a campfire and stuff.

(Remember you've to sing the refrain higher than the verses so it sounds like in the original song)

Bm

This is the life that

F#m

Leaves us restless

F#7

It's the end of all that

Bm

We have known before

The search for beauty

F#m

Leaves us breathless

F#7

In these days where nothing

Bm

Matters anymore

F#m

F#7

This is not our dying

A E Bm

I'm holding on

A E Bm

Flying to the sun

A E Bm

Keep holding on

A E Bm

Til I'm alive

(It's the same it before, quite easy I think)

This is the time that

Built resistance

Stole the innocence of

An illusive dream

We're fighting back to

Close the distance

For the change that

Has to come

And set us free

This is not our dying... !

I m holding on
Flying to the sun
Keep holding on
Til I m alive
