

Im Alive

Ansotticca

Capo 2, it doesn't sound perfect at all but totally usable for singing it around a

campfire and stuff.

(Remember you've to sing the refrain higher than the verses so it sounds like in the original song)

Cm

This is the life that

Gm

Leaves us restless

G7

It's the end of all that

Cm

We have known before

The search for beauty

Gm

Leaves us breathless

G7

In these days where nothing

Cm

Matters anymore

Gm

G7

This is not our dying

Bb F Cm

I'm holding on

Bb F Cm

Flying to the sun

Bb F Cm

Keep holding on

Bb F Cm

Til I'm alive

(It's the same it before, quite easy I think)

This is the time that

Built resistance

Stole the innocence of

An illusive dream

We're fighting back to

Close the distance

For the change that

Has to come

And set us free

This is not our dying... !

I m holding on
Flying to the sun
Keep holding on
Til I m alive
