I threw a wish in the well, don t ask me, I ll never tell

[Verse 2]

C **G** **Em**
I ve wasted my nights, you turned out the lights

Where have the times gone, baby it s all wrong
Em **D**
Where are the plans we made for two

If happy ever after did exist

I would still be holding you like this

All those fairy tales are full of it

One more stupid love song, I ll be sick

This tab took me a while to figure out the chords because of how many times the chords change. It is correct, though. Feel free to sing the background vocals.
Hope
you enjoy! God bless!
