

## Circles

### Anthem Lights

VERSE 1:

**Em**

Ready Set Go

**D**

This is take 37, let it roll

**G**

I m gonna get it right this time

Gonna fight this time

**C**

This time I m for Real

**Em**

**D**

Look at me go I m off flying Straight as an arrow

**G**

Then I feel the wind blow in Gravity sets in

**C**

and I don t know how to deal

**Em**

**G**

I always start so strong

CH:

**G**

Before you even know it

I m right back at the start

**Em**

I m doing what I hate

and breaking my own heart

**Bm**

I m going back and forth

and then forth and then back

**G**

and then round in circles

I was never meant to travel on my own

**Em**

so no matter what I try If I m trying alone

**Bm**

I m going back and forth

and then forth and then back

**C**

and then round in circles

VERSE 2:

**Em**

Here s what I know

**D**

Direction goes out the window

**G**

the second that I hear your word

**C**

I forget what I heard and go on just the same

**Em**

**D**

the beautiful part it doesn t have to be his hard

**G**

I m just deceiving myself

I don t want your help

**C**

something s got to change

**Em**

**D**

I know I need to change, because

Bridge:

**Am**

**C**

No more insanity I m letting go of me

**Em**

all this independence has made me dizzy

**D**

**Am**

and now I can t see where I m supposed to be

**C**

I had my turn and now my lesson s learned

**D**

I touched the fire and I got burned

I need your healing touch

I ve had enough

**D**

I m tired of saying

Ending:

**G**

Back and Forth and Forth and Back and

**D**

Round in Circles

**Em**

Back and Forth and Forth and Back and

**C**

Round in Circles
