

**Hide Your Love Away**  
**Anthem Lights**

**C** **F** **C** **G**  
I don t know your name yet,  
**F** **C** **G**  
I ve never even seen your face  
**C** **F** **C** **Am**  
I m looking with my eyes wide open  
**F** **C** **G**  
Till I find you in the right time and place

**F** **C**  
Hide your love away  
**Am**  
And wait for me,  
**C**  
Wait for me  
**F** **C**  
I will do the same,  
**Am**  
So wait for me,  
**C**  
Wait for me  
**F** **C**  
There will come a day  
**F** **G**  
When I will finally say  
**F** **Am**  
Staring in your eyes  
**C** **Am** **G**  
I ve waited my whole life  
**C**  
For this night

**C** **F** **C** **G**  
Every day you re prayed for,  
**F** **C** **G**  
And I m dreaming of you every night  
**C** **F** **C** **G**  
Wherever you are right now,  
**F** **C** **G**  
You re already the love of my life

**F** **C**  
So hide your love away  
**Am**

And wait for me,

**C**

Wait for me

**F** **C**

I will do the same,

**Am**

So wait for me,

**C**

Wait for me

**F** **C**

There will come a day

**F** **G**

When I will finally say

**F** **Am**

Staring in your eyes

**C** **Am** **G**

I've waited my whole life

**C**

For this night

**C** **F**

I'm holding on for you

**C**

My heart belongs to you

**F** **G**

You're everything that I adore

**Am**

Whoa,

**C** **F**

I'm holding on for you

**C**

My heart belongs to you

**F** **G**

Darling, your love is spoken for

**F** **C**

So hide your love away

**Am**

And wait for me,

**C**

Wait for me

**F** **C**

I will do the same,

**Am**

Wait for me,

**C**

Wait for me

**F** **C**

With every breath you take,  
**Am**  
Wait for me,  
**C**  
Wait for me  
**F**                    **C**  
I will do the same,  
**Am**  
Wait for me,  
**C**  
Wait for me  
**F**                    **C**  
There will come a day  
**F**                    **G**  
When finally I ll say  
**F**                    **Am**  
Staring in your eyes  
**C**                    **Am**  
I ve waited my whole life,  
**F**                    **Am**  
Staring in your eyes  
**C**                    **Am** **C**        **G**  
I ve waited my whole life  
                  **C**  
For this night

**C**            **F**            **C**        **G**  
I don t know your name yet
