[Verse 1]

Cmaj7
Telling a lie in the evergreen state
Cmaj7 A5
Searching for any place
Cmaj7
It wasn't a loss You couldn't bear the cost
Cmaj7 A5
Nothing was there for us

[Chorus]

A5 Cmaj7*
As we change shape
A5 Cmaj7*
I'll keep you covered
A5 Cmaj7*
And just to save face
A5 Cmaj7*
I'll keep you here
A5 Cmaj7* A5

In the heart of darkness

[Verse 2]

Cmaj7

Carving a way in path points erased

A5

Maybe just left behind

Cmaj7

Don't even look In case you want to leave

Cmaj7

What will become of you

[Chorus]

A5 **Cmaj7***

As we change shape

A5 **Cmaj7***

I'll keep you covered

A5 **Cmaj7***

And just to save face

A5 **Cmaj7***

I'll keep you here

A5 **Cmaj7*** **A5**

In the heart of darkness

A5 **Cmaj7***

In the heart of darkness (3x)

[End on Cmaj7]
