

Real Magic

Anthony Green

Song: Real Magic

Artist: Anthony Green

Album: Would You Still Be In Love (2018)

Standard Tuning, No Capo

[Verse]

G

Every single person you see

C

Feels the same dumb pain

G

And everybody gets imprisoned

C

With overwhelming shame

G

Relax with it

C

Breathe out

G

Every day there s something tragic

C

That helps somebody see

[Chorus]

C

D

There s real magic

C

It s so real

D

It s real magic

G

It s so real It s so real

[Verse]

G

We all want to be important but are

C

Always filled with dread

G

We can t get outside the borders

C

that are made up in our head

G

Relax with it

C

Lay back

G

Then you say you can relate to it

C

And I know just what it means

[Chorus]

C D

It s real magic

C D

It s so real

[Bridge]

C D C
With gratitude the written word reminds me everyone s the same

D

Without the fear of being alone We would understand

C D C
It s not my place to figure out how to keep the moment still

D

C

Without the fear of who we are we would understand

[Chorus]

C D

It s real magic

C D

It s so real

C D

It s so real
