[Verse 2]

Sitting here looking in the mirror

Damn it s getting a little clearer

If I could paint a perfect picture

Would u dare take it wit ya, take it wit ya, take it wit ya

Picture us whistling while fishing

Picture us dancing while romancing

To a tune that belongs to me and u

My ball and chain we will all be free yea

[Chorus]

We can be dancing, steady romancing
Whistling, while we steady fishing
Yea, yeah, ooh, ooooooh
Ooooooh, yeah

[Chorus]
