When I heard you say what you said to me

Look like you working up an appetite for the night, check it

Peeping you out, the way you act

Dm

Can t restrain your tact
Getting out of line
And I make you get back in your place

Gm

All is well and all is cool
Stay in your place, don t be no fool

Dm

We get along alright
You look like the type that would try to fight

Gm

Best top been a friend to me,
you don t want to just up and leave

Dm

Better play it cool
Don t know what I might do

I got just what you need

Dm

If you want it (cause I m pimp, girl)
If you want it (I m a pimp, girl)
