The Great Southside Twins Anthony John Clarke [Intro] C G F C G F C [Verse] I saw you at 8:15 by the roundabout And then again at the Butter Market too I didn t even know that was your brother Or if you d changed your clothes and it was still you [Verse] You need to have more defining differences G F Each one of you could be unique But I don t really wanna change anything about you though I just want to follow you and keep lots of notes on you now [Chorus] The great Southside twins How we love the great Southside twins G The great Southside twins C How we love the great Southside twins [Verse] Next month it ll be time for the May Fair The best time of year here, they say And you both will no doubt be there Which is good for me, cause I can watch you all day [Verse]

Last year I was gonna ask you not to leave early

I even thought about calling out to you
G F But I stopped cause you didn t even know me
C G F C
Even if I know all about you
[Charrie]
[Chorus] G F
The great Southside twins
C G F C
How we love the great Southside twins
G F The great Southside twins
C G F C
How we love the great Southside twins
[Verse]
G F C And I just wanna let you know how proud I am
G F C
I spent four years watching you grow
G F
Maybe you could text me on your whereabouts C G F C
Or if you get a new coat or hat and I don t know
[Verse]
G F
Or maybe I should just keep my distance
C G F C
C G F C The judge says I can t do this stuff anymore
C G F C The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever
C G F C The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C
C G F C The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C I m just watching your door in case you come outside
The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C I m just watching your door in case you come outside [Chorus] The great Southside twins
The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C I m just watching your door in case you come outside [Chorus] G F The great Southside twins C G G F C
The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C I m just watching your door in case you come outside [Chorus] G F The great Southside twins C G G F C How we love the great Southside twins
The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C I m just watching your door in case you come outside [Chorus] G F The great Southside twins C G G F C How we love the great Southside twins G F
The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C I m just watching your door in case you come outside [Chorus] G F The great Southside twins C G G F C How we love the great Southside twins
The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C I m just watching your door in case you come outside [Chorus] G F The great Southside twins G G F C How we love the great Southside twins G F The great Southside twins
The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C I m just watching your door in case you come outside [Chorus] G F The great Southside twins C G F The great Southside twins G F The great Southside twins G F The great Southside twins C G F The great Southside twins
The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C I m just watching your door in case you come outside [Chorus] G F The great Southside twins C G F The great Southside twins C G F The great Southside twins C G F The great Southside twins
The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C I m just watching your door in case you come outside [Chorus] G F The great Southside twins C G F The great Southside twins The great Southside twins G F The great Southside twins The great Southside twins [Chorus] G F The great Southside twins
The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C I m just watching your door in case you come outside [Chorus] G F The great Southside twins
The judge says I can t do this stuff anymore G F C But you know I m never gonna let anybody harm you ever G F C I m just watching your door in case you come outside [Chorus] G F The great Southside twins G G F The great Southside twins T F The great Southside twins
The judge says I can't do this stuff anymore G F O But you know I m never gonna let anybody harm you ever G F O I m just watching your door in case you come outside [Chorus] G F The great Southside twins C G G F The great Southside twins C G G F The great Southside twins C G G F The great Southside twins C G G F The great Southside twins [Chorus] G F The great Southside twins C G G F The great Southside twins [Chorus] C G G F The great Southside twins

[Outro]

GFC

The great Southside twins
GFC

The great Southside twins (it s always good to see you)
GFC

The great Southside twins (won t you come outside and see me)
GFC

The great Southside twins (because it s always good to see you)
GFC

The great Southside twins (because it s always good to see you)
GFC
