

**Stupid Pretty Girl**

**Anthony Salari**

<http://anthonysalari.com/>

**F#**

You walked in and it was sweet sunshine

**F**

I wanted to hold your hand all the time

**Bb**

when I picked you my favorite flower

**B**

we smiled so much our cheeks hurt for hours

**F#**

tomorrow came different and tomorrow came soon

**F**

you called me over to see your room

**Bb**

when I walked in you bumped my head

**B**

the blood ran pretty all over your bed

CHORUS

**F#**

stu stu stupid pretty girl

**F**

came around and ruined my world

**Bb**

set my hair on fire

**B**

push me down and call me a liar

**F#**

baby baby why you treat me so bad

**F**

cant you see that it makesme sad

**Bb**

all this ouh you put me through

**B**

you knew id do anything for you so

**F#**

wait a minute where you goin now

**F**

I thought love was all about

**Bb**

a hug and kiss or holdin tight

**B**

butyou brought knives to slice slice slice me
