The Song:  
-----

V#1:

C5#(IX) **A(V)**

\*Standing on some dooted line.

Reacting to the hands of Time.

A circumstance that i ve been fed.

Leaving questions in my head.

Prechorus#1:

FA# **A(V)**

\*Find the space that was left bare.  
An empty space i d gladly share.

Chorus:

C5#(IX) **A(V) E** C5#(IX) **A(V) E**  
One must live while... one must-ust die.

V#2: (like #1)

\*Combined paired up for so many years.  
Unsure if i realy want to shed a tear.  
Signing off is always so clearly done.  
A number 2 is now reduced to one.

(Prechorus#1)

Prechorus#2:

C5#(IX) **A(V)** **E** FA#  
\*When your clock is up and you rest for good.  
I will cut off my arm-piece just like we agreed we would.

(Chorus)

\*one must While the other argues that the world is fair.  
But then who ever promised anybody equals share.  
You might as well forget what you gambled on.  
cause plans never go by the way they re drawn\_\_\_\_\_

(Prechorus#2)

(Chorus)

C5#(IX) **A(V) G5**  
One must-ust di\_\_\_\_\_ie

Good bye (G5 FA5# E)x2 (rythme: || /| /|/| )

Metal end:

G5 FA5# E (rythme: || | || )

\*I can t say goodbye

G5 FA5# E5 (rythme: ||/| /| /| | )

It s all i can do to get up every morning

**G5 FA5# E5**

(and) when all else fails I try.

**G5 FA5# E5**

To face myself and everything else  
**G5**                    **FA5#**            **E5**            **G5**            **FA5#**            **E5**  
But mostly... I wonder why\_\_\_\_\_

(2 times)

(Fluzzy end ...)

-----  
NB: This song is played with 2 guitars and got severals added rift.  
As I only got two hands, I won t gonna work on that rift :((  
But if you got then mail it to me!!  
The fluzzy end is not important...don t know why they record that ?#@!

Tell what you think about this tab...mostly about the chords  
I would be happy to work on another version...  
Bye and see you
