Verse 1:
```
    G#*                         B
You push and push a people, what are they to do?
     G#*                        B
This corporate run government will be through you
       G#*                      B
See, it doesn t represent the people anymore
    G#*                          B
Big business are the pimps and governments   their whores
```

Pre-Chorus:
**E**
We don t need more time to talk over a solution,
**F#**
We know what we need, we need a ****ing revolution

Chorus:
```
B        C#        G#  F#  E
We don t need your war machine,
        B      C#            G#
Or your filthy blood stained dollars
      B        C#        G#  F#     E
We ve got one thing that you ain t got,
```

```
      B           C#
We ve got, we ve got, We ve-
G#              B
Got the numbers! Got the Numbers! x4

Riff 1 x4

Verse 2:
   G#*                    B
To you the masses are not even human beings
      G#*                          B
We re dogs that will be grateful for any scraps you leave
    G#*                      B
But even dogs will only put up with so much abuse
      G#*                            B
Keep stealing from us like you are, we re gonna let loose

Pre-Chorus
