Intro: **G G G G**

G G Cadd9 G
Oh you re breaking my spirit and you re hurting my ears

G G Dsus4 D
Little darling, when I hold you close

G G Cadd9 G
You have laid in my bed since the day we were wed

G Dsus4 G
But when you re sleeping, I like you the most

G G Cadd9 G
Cause your voice is a needle on a record that s broke

G G Dsus4 D
The only one, babe, that you ever play

G G Cadd9 G
And these days it skips more, and it was not that good before

G Dsus4 Em7
Oh, Lord, help me love you, babe

G Dsus4 G
Oh, Lord, help me love you, babe

G G Cadd9 G
Well, long ago, I was foolish, long ago, I was young

G G Dsus4 D
You were a waitress on Route Thirteen

G G Cadd9 G
I was hungry for eggs, back then you had nice legs

G Dsus4 G

And the rest is just histo-ry

G G Cadd9 G
Now your voice is a needle on a record that s broke
G G Dsus4 D
The only one, babe, that you ever play
G G Cadd9 G
And these days it skips more, and it was not that good before
G Dsus4 Em7
Oh, Lord, help me love you, babe
G Dsus4 G
Oh, Lord, help me love you, babe

Dsus4/F# Cadd9 G
Through thick and thin, that s the way that we swore
Dsus4/F# Cadd9 Dsus4
But you ainâ€™t been thin since the children were born
G G Cadd9 G
Oh, Lord, how I try, yeah, you know that I do
G Dsus4 G
But it ain t easy loving you

G G Cadd9 G
Cause your voice is a needle on a record that s broke
G G Dsus4 D
The only one, babe, that you ever play
G G Cadd9 G
And these days it skips more, and it was not that good before
G Dsus4 Em7
Oh, Lord, help me love you, babe
G Dsus4 Em7
Oh, Lord, help me love you, babe
G Dsus4 G
Oh, Lord, help me love you, babe

That s it. This is one of her more easy songs.
Listen to the song for strumming and the
hammer-on on Em7 in the chorus...
