Cm **Bb**
Epilepsy is dancing
 Cm **Bb**
Shes the Christ now departing
 Cm **Bb**
And I m finding my rhythm
 Cm **Bb**
As I twist in the snow

Cm - Bb - Cm - Bb

All the metal burned in me
Down the brain of my river
That fire was searching
For a waterway home

F# **G#** **B#m(A#m)**
I cry glitter is love!
(D#m) **G#**
My eyes pinned inside
C# **G#** **B#m**
With green jewels
D#m **B#m**
Hanging like Christmas stars
 G#
From a golden vein

As I came to a screaming
Hold me while I m dreaming
For my fingers are curling
And I cannot breathe

Then I cried in the kitchen
How Id seen your ghost witching
As a soldering blue line
Between my eyes

I cry glitter is love!
My eyes
Pinned inside
Sea green jewels
Hanging like Christmas stars
From a golden vein

Cm **G#** **A#**

Cut me in quadrants

Cm

Leave me in the corner

G# **A#**

Oh now its passing

Cm

Oh now I m dancin
