Anurizm
So Far Away

This is a song that my band and I wrote, probably our best one. Just wanted to share it with you all.
tab is in regular tuning.

Intro. And Verse

```

E - - - - -
B - - - - - 0 - - - - 3 0 - - - - -
G - - - 0 - - - - - 0 - - - 2 - - - - -
D - - 2 - 2 - - - 0 - - - 2 - - - 2 - - - - -
A - 2 - - - - 2 - 2 - - 3 - - - - -
E - - - - - 3 - - - - -

```

Keep repeating this throughout the intro and verse

For chorus, fairly heavy distortion, just hit the chords on first 2 times, then, strum it last 4 times through.

(Chorus)

```

E - - - - -
B - - - - - 0 - - - - 0 - - - - -
G - 0 - - - - - 0 - - - - 2 - - - - -
D - 2 - - - - -0 - - - - - 2- - - - -2 - - - - -
A - 2 - - - - -2 - - - - - 3 - - - - 0 - - - - -
E - - - - - 3 - - - - -

```

Just a simple little solo after the 2nd chorus (that?s a 10, not a 1 and a 0)

```

E - - - - -
B - - - - -
G - - - - -
D - - - - -
A - 9 10 9 10 9 10 9 12/slide down to chorus again
E - - - - -

```
