

Serious Love
Anya Marina

Gm **F**
I hate when you go

C
But I hate when you re here

Gm **F**
I was fine all alone

C
Before you appeared, hmm

Gm
But the second you come back

F
Got me talking fast, making me weak

C
Throwing everything off track
All your trouble

Gm
I m in too deep

F
Now I know what they mean when they say

C
It s serious

Gm
How could this be?

F
When we touch, it s a dream

C
Oh, you re making me delirious

Gm
This is serious love

F **C**
Love, love

Gm **F**
Now I m losing sleep

C
Been lost in your arms

Gm **F**
Watching you watching me

C
I can feel your heart against my heart

Gm
Yeah, every time you do that

F

Got me talking fast, making me weak

C

Throwing everything off track

All your trouble

Gm

I m in too deep

F

Now I know what they mean when they say

C

It s serious

Gm

How could this be?

F

When we touch, it s a dream

C

Oh, you re making me delirious

Gm

This is serious love

F **C**

Gm

F **C**
