Pull The Trigger
APES (Australia)

[Verse 1]
```
     D                        A
And I feel like youâ€™re inside of me.
                         G
You waste my mind and let me bleed
              D
and I count on you
      D                      A
an though, you say that iâ€™m apart of you.
                          G
You put me out and bend the truth.
                   D
And I canâ€™t wait to.
```

[Chorus]
```
      G
Well I canâ€™t run, i canâ€™t go for cover.

If you want. Go and Pull the trigger.
D
If you want to take my name, my number.

If you want to die some day you got it.
G
If you want to take my look
                            D
Iâ€™ll bend you out and let you go my may.
                A            G
Darling wonâ€™t you stay. Come with me now.
```

[Verse 2]
```
     D                       A
So Kill me. If i can no longer be here now.
                         G
The taste in my mouth just turned to sour.
                   D
and I canâ€™t wait no more.
```

[Chorus]
```
      G
Well I canâ€™t run, i canâ€™t go for cover.

If you want. Go and Pull the trigger.
D
```

If you want to take my name, my number.

If you want to die some day you got it.
G
If you want to take my look

                                                   D
I'll bend you out and let you go my may.
                           A   **G**
Darling won't you stay. Come with me now.
