**Apocalypse**

**Bb** **Eb**  
On the top of the mountain  
**F#** **G#**  
I fell the freedom  
**Bb** **Eb**  
The freedom is not just ilusion  
**F#** **G#**  
Open the gates, I can fly

**Eb** **B**  
I will scape of the labirinth of darkness  
**G#m** **Bbm**  
I just want to be free  
**Eb** **B**  
You should have know about my world  
**G#m** **Bbm**  
You should have imagined about my emotions

**G#** **Bb** **B**

**Bb** **Eb**  
Live in too short  
**F#** **G#**  
And the best moments we forget

**Eb** **B**  
I will scape of the labirinth of darkness  
**G#m** **Bbm**  
I just want to be free
