

**Life Burns**  
**Apocalyptica**

-----LIFE BURNS !-----

This is a great Song from Apocalyptica Tabbed for guitar! :

INTRO :

e|-----| (8x)  
H|-----|  
G|-----|  
D|-2-5---5-7|  
A|-2-5---5-7|  
F#|-0-3-0-3-5|

Instead of the 0 you can play a powerchord (022) but i think so it s easier.

**F#m**                    **E**                    **F#m**  
We break our enemies with fear and  
         **D**                    **E**                    **F#m**  
We ve seen how the tears come around  
**D**                    **E**                    **F#m**  
We build our confidence on wasteland  
         **D**                    **E**                    **F#m**  
We ve seen how the walls come down

[play the intro a few times]

**A**                    **G#**  
A man dies like a butterfly  
**F#m**                    **E**                    **D**  
Life burns from the touch of the Reaper  
**E**                    **F#m**  
All things must pass

[play the intro a few times]

**A**                    **G#**  
One love is crooked lie  
**F#m**                    **E**                    **D**  
The world lies in the hands of evil  
         **E**                    **F#m**  
We pray it would last

[play the intro a few times]

**F#m**                    **E**                    **F#m**  
We have no sympathy for the lost souls  
         **D**                    **E**                    **F#m**  
We ve chosen the path of disgrace

**D**            **E**            **F#m**  
We give this life to our children  
**D**            **E**            **F#m**  
And teach them to hate this place
