

Sat In Vicky Park
Apologies I Have None

Sat in Vicky Park - Apologies, I have none (London)

tabbed by ZaB23

This is the Album version in standart tuning.
Originally the guitar is tuned down by one halfstep, so the song must be transposed 1 halfstep up.
For the acoustic version (in C) simply transpose down this version of the song by 3 halfsteps. Have fun!
Thanks to jamaries
