

The Clarity Of Morning
Apologies I Have None

[Verse 1]

Am **Dm F**
A master actor, a perfect liar
Am **Dm F**
All smiles played out with expert timing
Am **Dm F**
It starts like rust, slow and silent
Am **Dm F**
But grows like fire, swift and violent

[Verse 2]

Am **Dm F**
I walk much slower now I ve got no direction
Am **Dm F**
All bends are blind, all cracks chasms
Am **Dm F**
I love and hate in equal measures the freedom from precision
Am **Dm F**
That living like this offers, but habits are so easily formed
F **G**
And not so easily forgotten

[Bridge]

G **F**
It s nothing that some wine can t sort out
G
Hit the offy, back a bottle
F **G**
Drop two sleeping pills and hope to pass out
Am **F**
The run has got me spinning around and down and out

[Instrumental]

Am Dm F Am G

[Refrain]

G **F**
I hate the person I ve become
G
Hate the foil, hate the filters
F **G**
Hate the blister packs but I won t stop
Am **F**
The run has got me spinning around and down and out
C **G**
Praying that the clarity of morning brings
Am **F**

A peace to ease the mourning of

Am

G

F

A loss of control as two lives split in half from a whole

[Outro]

Am

She'd say I miss you when you're gone

Em

F

And I would wish that I was off anywhere else

Am

G

I'm sorry, when I said I didn't love you

F

Am

What I meant was I hate myself
