[Intro: F# A E Bb]

F#

Well he was in Thailand based.  
She was an airforce wife.

A

He used to fly weekends, it was the easy life.

E

But then it turned around, and he began to change.

D

She didn t wonder then, she didn t think it strange.

F#

But then he got a call, he had to leave that night.

A

He couldn t say too much, but it would be alright.

**E**

He didn't need to pack, they'd meet the next night.

**Bb**

He had a job to do,  
flying to Cambodia.

[Chorus: **F# A F# Asus4**]

And as the nights passed by, she  
tried to trace the past.  
The way he used to look, the way  
he used to laugh.  
I guess she'll never know, what got  
inside his soul.  
She couldn't make it out, just  
couldn't take it all.  
He had the saddest eyes the girl  
had ever seen.  
He used to cry some nights, as though he  
lived a dream.  
And as she held him close, he used to search  
her face.  
As though she knew the truth, lost inside  
Cambodia.

But then a call came through, they said  
he'd soon be home.  
She had to pack a case and they  
would make a rendez-vous.  
But now the year has passed and  
not a single word and  
all the love she knew has disappeared  
out in the haze.

And now the years have passed  
without a single word.  
But there is only one thing left I  
know for sure,  
She won't see his face again.

(so: [verse: **F# A E D F# A E Bb**])
