**Am/E        G**

Don t leave me, don t walk away

**Am/E        G**

Stay beside me for another day

**Em                F                Am/E, G, Am/E**

My love for you will never die

**Am/E        G**

Don t leave me, don t go away

**Am/E        G**

Stay near me for one more day

**Em                F                Am/E, G, Am/E**

You know my love will never die

**C                G**

I would rather be

**Em                F**

In your arms tonight

**C                G**

Finally to close my eyes

**Em                F**

And you to hold me tight

**C                G**

I would rather be

**Em                F**

In your arms tonight

**C                G**

Finally to close my eyes

**Em                F**

Forever in your arms
