

Suffer In Silence
Apoptygma Berzerk

just chords, maybe i will wirk on some tabs for the song as well

Verse 1:

=====

A **A**
I know I messed things up
E **D**
by turning gold to stone
A **A**
because of my free will
E **D**
I lied about it all the way
A **A**
I need to forget
E **D**
and make this tragic feeling go
D D D D
away
D **D**
I never heard a word
E **A**
a word of what you said

Verse 2:

=====

A **A**
I never heard a word
E **D**
a word of what you said
A **A**
too busy being selfish
E **D**
I never learned the rules of life
A **A**
Guess I m to confess
E **D**
And look you in the eye
A **A**
I need you to forgive
E **D** **DDDD**
and make this tragic feeling go away

Chorus:

=====

A **A**
I know I lost

A **E** **D** **A**
please let me suffer in silence

A **A**
I ve said enough

A **E** **D**
please help me hide from the ghosts

A **E**
from my past - for a while

I know I lost
please let me suffer in silence
I ve said enough
please help me hide from the ghosts
from my past
for a while

--> Repeat all
