Suffer In Silence Apoptygma Berzerk

just chords, maybe i will wirk on some tabs for the song as well

Verse 1:

Α Α I know I messed things up Е D by turning gold to stone Α Α because of my free will Е D I lied about it all the way A Α I need to forget D Ε and make this tragic feeling go DDDD away D D I never heard a word E A a word of what you said Verse 2: ======== Α Α I never heard a word E D a word of what you said Α Α too busy being selfish Е D I never learned the rules of life Α Α Guess I m to confess D Ε And look you in the eye Α Α I need you to forgive E D DDDD and make this tragic feeling go away Chorus: ====== A A I know I lost

Α Е DA please let me suffer in silence Α Α I ve said enough Α Е D please help me hide from the ghosts Е Α from my past - for a while I know I lost please let me suffer in silence I ve said enough please help me hide from the ghosts from my past for a while

--> Repeat all
