

**G** **A**  
I ve seen it coming like a thief in the night,  
**Bm** **G**  
I ve seen it coming from the flash of your light.

**E**  
So give me strength,  
**F#**  
To face this test of mine.

**G** **A**  
If only I could turn back time,  
**G** **A**  
If only I had saved what I still had.  
**G** **A**  
If only I could turn back time,  
**Bm** **C**  
I would stay.

[Bridge]

**Bm** **C**  
The bolt reminds me I was there

The bolt reminds me I was there

If only I could turn back time,  
**G** **A**  
If only I had saved what I still had.

If only I could turn back time,  
**G** **A**  
I would stay for the night

[Chorus]

**G** **A**  
If only I could turn back time,

I would stay for the night
