

Almost Over  
Aquilo

**Bb** **Gm**  
For all you know we re broken pieces  
**Dm** **F**  
I m finding it hard to live with something that won t last  
**Bb** **Gm**  
For all you know, you re still my weakness  
**Dm** **F**  
I m finding it hard to fake a smile that I once had

**Eb** **Bb** **F**  
Hold on, I ve got a feeling like this is almost over  
**Eb** **Bb** **F**  
Hold on, I ve got a feeling like we re almost done  
**Eb**  
We don t need this anymore  
**Bb** **F**  
We don t need this anymore

**Bb** **Gm**  
We re both waiting for the moment  
**Dm** **F**  
When one or the other cuts the light and locks the door  
**Bb** **Gm**  
But in this limbo where we re frozen  
**Dm** **F**  
We re not going anywhere, we re not who we were before

**Eb** **Bb** **F**  
Hold on, I ve got a feeling like this is almost over  
**Eb** **Bb** **F**  
Hold on, I ve got a feeling like we re almost done  
**Eb**  
We don t need this anymore  
**Bb** **F**  
We don t need this anymore  
**Eb**  
We don t need this anymore  
**Bb** **F**  
We don t need this anymore

**Cm**  
I ve given everything

**Bb**  
I ve given everything  
**F**  
And it s over
