

Calling Me  
Aquilo

[Intro] **F G Em**

**F G**  
A light piece of glass  
**Em F**  
Begins to fall, it makes me wonder  
**F G Em F**  
How do I make use of this?  
**F G**  
I stumble around to find that  
**Em F**  
This is all I ve got  
**F G**  
I stumble around to find that  
**Em F**  
This is all I need

**F G Em**  
Oh, and the wake up is calling me home  
**F**  
And the wake up is calling me home  
**F G Em**  
And the wake up is calling me home  
**F**  
And the wake up is calling me

( **F G Em** )

**F G**  
A sudden thought of disbelief  
**Em F**  
Clouds my every conscience  
**F G Em F**  
But how do we seek refuge here?  
**F G**  
I panic a bit to find out that  
**Em F**  
This is all I ve got  
**F G**  
I panic a bit to find out that  
**Em F**  
This is all I need

**F G Em**  
Oh, and the wake up is calling me home  
**F**  
And the wake up is calling me home

**F**            **G**                            **Em**  
And the wake up is calling me home

**F**  
And the wake up is calling me

( **F** **G** **Em** **F** )

( **F** **G** **Em** **F** )

**F**            **G**    **F**  
How could I misstep?

**F**            **G**                            **F**  
Troubled mind speaks back

**F**            **G**    **F**  
How could I misstep?

**F**            **G**                            **F**  
Troubled mind speaks back

**F**            **G**                            **Em**  
Oh, and the wake up is calling me home

**F**  
And the wake up is calling me home

**F**            **G**                            **Em**  
And the wake up is calling me home

**F**  
And the wake up is calling me

**F**            **G**                            **Em**  
Oh, and the wake up is calling me home

**F**  
And the wake up is calling me home

**F**            **G**                            **Em**  
And the wake up is calling me home

**F**  
And the wake up is calling m
