[Intro] Am C G
Am C G

I know that it's been rough Am C
It shows in your reflection G
You've fallen out of touch Am C
Got lost along the way G
I know it's not enough Am C
But these things they all get better G
And even if it's tough Am C D/F#

(This is us) you know it on the inside F G
(This is us) so you should show it on the outside Am G
(This is us) dust the dust up off your shoulders F G
Feet on ground, you'll come round Am C G
And be human again
(Am C G)

I know that it's been hard Am C
But even when it's hurting G
You're gonna have to start Am C
To learn to recognise G
That even in the dark Am C
There's lines between the spaces G
Hiding where you are Am C G
