

Human
Aquilo

[Intro] Am C G
Am C G

I know that it's been rough
G
It shows in your reflection
Am C
You've fallen out of touch
G
Got lost along the way
Am C
I know it's not enough
G
But these things they all get better
Am C D/F#
And even if it's tough

(This is us) you know it on the inside
F G
Am G
(This is us) so you should show it on the outside
F G
(This is us) dust the dust up off your shoulders
Am
Feet on ground, you'll come round
Am C G
And be human again

(Am C G)

I know that it's been hard
Am C
G
But even when it's hurting
Am C
You're gonna have to start

To learn to recognise

That even in the dark
G
There's lines between the spaces
Am C G
Hiding where you are
