Silent Movies

[Verse 1]

G

You decide you re evil

Em

You test it on the skies

G

This complicated evil

Em

It does you no justice here

G

Yeah I m supposed to shine, dear

Em D

But I can t see my hands

G

We drift apart like colours

Em C D Em

And learn from mistakes you ve put into place when you walked

Em

Walked away

C D Em

I m hanging on the words that you say

G D

Oh

[Pre-Chorus]

C D

And I don t know why

Em

But silent movies always make me cry

C D

It s the black and white

Em

Everybody trying to make it through the night

[Chorus]

C D

Well I don t know anyone else

Em Em

And I m always all by myself

C D

So please tell me why

Em D C

The silent movies make me cry

[Instrumental]

C D Em

[Verse 2]

Are we cornered into my mind

G

Cause I don t know where to go

Bm

Such a complicated evil

G

You re pulling on strings you ve put into place when you walked

Em

D

C

When you walked away

D

Bm

A subtle change but I can t seem to fake

C

And it feels so strange

Em D

[Pre-Chorus]

And I don t know why

C

D

The silent movies always make me cry

Em

It s the black and white

C

D

Everybody s trying to make it through the night

Em

[Chorus]

Well I don t know anyone else

C

D

And I m always all by myself

Em

Em

So please tell me why

C

D

The silent movies make me cry
