

Sorry
Aquilo

Am **F** **C G**
The note you wrote upon the shelf
Am **F** **C** **G**
I frozen there in silver doubt
Am **F** **C G**
My heart was breaking by the shore
Am **F** **C G**
And I couldn t give you anymore

F
And I m still shaken
 C **Am**
And crawling back again
 F
And all my brothers
 G **Am F C G**
And all my sisters are gone

F **G**
I m sorry that I ve let you go
 C Am
I m sorry that I ve cared
 F **G**
I m sorry that the feeling showed
 C **Am**
And I just wasn t there

F
And reminded of the fool I was
 G **C** **F Am**
I cut you off and fucked it up again
 F **G**
I m sorry that I ve let you go
 C
I m sorry that I ve cared

Am **F** **C G**
This pillow case smells of you
Am **F** **C G**
And time itself stops to prove
Am **F** **C G**
And for a moment nothing changed
Am **F** **C G**
And everything stays the same

F
And I m still shaken

C **Am**
 And crawling back again
F
 And all my brothers
G **Am** **F** **C** **G**
 And all my sisters are gone

F **G**
 I m sorry that I ve let you go
C **Am**
 I m sorry that I ve cared
F **G**
 I m sorry that the feeling showed
C **Am**
 And I just wasn t there
F
 And reminded of the fool I was
G **C** **F** **Am**
 I cut you off and fucked it up again
F **G**
 I m sorry that I ve let you go
C
 I m sorry that I ve cared

C
 I left the light on
F **G**
 So you could see me in the dark
C
 But then it blinded us
F **G**
 And left us who we are

F **G**
 I m sorry that I ve let you go
C **Am**
 I m sorry that I ve cared
F **G**
 I m sorry that the feeling showed
C **Am**
 And I just wasn t there
F
 And reminded of the fool I was
G **C** **F** **Am**
 I cut you off and fucked it up again
F **G**
 I m sorry that I ve let you go
C
 I m sorry that I ve cared
