

You Wont Know Where You Stand
Aquilo

[Verse 1]

I wanna walk with you in someone s shoes
From somebody else s point of view
It looks like I m changing

[Pre-Chorus 1]

I wanna be the star without the scars
We Â€Â™ll be running, running, running with the same old crowd
And I Â€Â™ll be myself

[Chorus]

And I can Â€Â™t begin to tell you
He says, if there Â€Â™s money on your mind
And the drugs don Â€Â™t work
As you ll be lying on your own
You won Â€Â™t know where you stand

[Verse 2]

I m a selfish man in a selfish world
There Â€Â™s a world we choose and a friend we lose
It looks like I Â€Â™m changing

[Pre-Chorus 2]

I ve been told to sit down when I just stand up
It wouldn Â€Â™t mean that much just to hear me say
That I Â€Â™ve been myself
I m all of yourself
