Arashi

Arashi-Namida no nagareboshi

Tabbed by: _jangotron

Tabbed this a few years ago when the live was still up on youtube... sounds pretty

accurate, but i m sure i missed a chord

Chords used:

D Bm7 A G Dsus for strum pattern, please listen to the orig. song

NOTE:the bracketed verses have the same chord progression as the 2 verses before them
and the song ends on a D chord

also forgot where the whistling goes, but it has the same chords as the verses..
