Capo 2

[Intro]

B5

C G Em Am x2

[Verse]

C **G D/F#**
Businessmen drink my blood
Em **Am**
Like the kids in art school said they would
C **G D/F#**
And I guess I ll just begin again
Em **Am**
You say can we still be friends

[Chorus]

C **D** **C/B**
If I was scared, I would
C **D** **G** **D/F#**
And if I was bored, you know I would
C **D** **Em** **D**
And if I was yours, but I m not

[Verse]

C **G D/F#**
All the kids have always known
Em **Am**
That the emperor wears new clothes
C **G D/F#**
But to bow to down to them anyway
Em **Am**
Is better than to be alone

[Chorus]

C **G D/F#**
Now you re knocking at my door

Em **Am**
 Saying please come out against the night
C **G D/F#**
 But I would rather be alone
Em **Am**
 Than pretend I feel alright

C **G D/F#**
 If the businessmen drink my blood
Em **Am**
 Like the kids in art school said they would
C **G D/F#**
 Then I guess I ll just begin again
Em **Am**
 You say can we still be friends

[Chorus]

C **D** **C/B**
 If I was scared, I would
C **D** **G** **D/F#**
 And if I was pure, you know I would
C **D** **Em**
 And if I was yours, but I m not
D/F# **C**
 Now I m ready to start

C **D**
 If I was scared, I would
C **D** **G** **D/F#**
 And if I was pure, you know I would
C **D** **Em**
 And if I was yours, but I m not
D/F# **C** **Em**
 Now I m ready to start

D/F# **C** **Em**
 Now I m ready to start
D/F# **C** **Em**
 I would rather be wrong
D/F# **C**
 Than live in the shadows of your song

Em
 My mind is open wide
D/F# **C** **Em**
 And now I m ready to start
D/F# **C**
 And now I m ready to start

Em
 My mind is open wide
D/F# **C**
 And now I m ready to start
Em

Your mind surely opened the door

D/F# **C** **Em**

To step out into the dark

D/F#

Now I m ready
