

Speaking In Tongues  
Arcade Fire

D#m - F# x4

D#m F#  
Hypocrite reader, my double, my brother

D#m F#  
Your daddy really took it out of you

D#m F#  
But did he speak it in tongues?

D#m F#  
But did he speak it in tongues?

G#m  
Ooh, ooh

C# F#  
Sneaking out the windows now

G#m  
Ooh, ooh

C# (triplet) F#  
You ve got the spirit now

D#m F#  
Hypocrite reader, my double, my brother

D#m F#  
Where did we lose our way?

D#m F#  
It s like we re speaking in tongues

D#m F#  
It s like we re speaking in tongues

G#m  
Ooh, ooh

C# F#  
Sneaking out the windows now

G#m  
Ooh, ooh

**C#** (triplet) **F#**  
You ve got the spirit now

**F#** **D#m**  
You ve got the spirit now

**F#** **D#m** **F#**  
You ve got the spirit now

**D#m** **F#**  
Hypocrite reader, my double, my brother

**D#m** **F#**  
Now I can t understand a word

**D#m** **F#**  
Now you re speaking in tongues

**D#m** **F#**  
Now you re speaking in tongues

**D#m** **F#**  
Now you re speaking in tongues  
(Speaking in tongues)

**D#m** **F#**  
Now you re speaking in tongues  
(Speaking in tongues)

**D#m** **F#**  
Come out of your head

**F#** **D#m**  
And into my world now

**D#m** **F#**  
Come out of your head

**F#** **D#m**  
And into my world, my world, my world now

**D#m** - **F#** until end

**C#** - x46664  
**D#m** - x68876  
**G#m** - 466444  
**F#** - 244322

You can have it easier, when you stick capo at 6th fret, then

**C#** becomes **G** - 320003  
**D#m** becomes **Am** - x02210  
**G#m** becomes **Dm** - xx0231  
**F#** becomes **C** - x32010
