[Verse]

C **Am**
They heard me singing and they told me to stop
F **C**
Quit these pretentious things and just punch the clock
Am
These days my life, I feel it has no purpose
F **C**
But late at night the feelings swim to the surface

Am
Cause on the surface the city lights shine
F **C**
They re calling at me, come and find your kind
Am
Sometimes I wonder if the World s so small
F **C**
That we can never get away from the sprawl

[Chorus]

F **C**
Living in the sprawl
F **C** **C** **C/B**
Dead shopping malls rise like mountains beyond mountains
Am
And there s no end in sight
F **C**
I need the darkness, someone please cut the lights

[Verse]

C **Am**
We rode our bikes to the nearest park
F **C**
Sat under the swings and kissed in the dark

Am

We shield our eyes from the police lights

F C

We run away, but we don't know why

Am

On the black river, the city lights shine

F C

They're screaming at us, we don't need your kind

Am

Sometimes I wonder if the world's so small

F C

That we can never get away from the sprawl
