**Winter For A Year**
**Arcade Fire**

Intro:
**Em**

Verse 1&2:
**Em**
Oh my God, a winter for a year
Oh my God, a winter for a year
   **Bm**                                     **Em**
And I cleaned out the back of my wardrobe for a year
   **Bm**                                        **Em**
Jackets never turn into branches not while you re not here

**Em**
Oh my God, a winter for a year
Oh my God, a winter for a year
  **Bm**
I kept my life so cold

                             **Em**
Every breath just fogs up all the mirrors
   **Bm**
The tears are frozen long

                          **Em**
Long before I ever thought of crying

**D**        **A**           **E**
So ends my year-long romance
          **G**            **D**
With radio towers and machines
               **A**
Wasted all my prayers
        **E**               **G**
That I can t remember my dreams
  **Fm**   **E**     **D**
But I don t mind

Oh my God, a winter for a year
Oh my God, a winter for a year
And I cleaned out the back of my wardrobe for a year
Jackets never turn into branches
Not while you re not here

So ends my year-long romance
With radio towers and machines
Wasted all my prayers
That I can t remember my dreams
But I don t mind
No, I don t

No, I don t care anymore

have fun!
velvet
