

Pull Down The Moon
Archie Star

From their 2008 album Carry Me Home.

Love love love.

I think this is at least 95% right...feel free to post corrections/suggestions
:)

I tried my best to match up the chords with the two singing parts but it doesn't
completely mesh. It'll make sense when you try to play it!

CAPO 3

Am C G F

x2

Am C

I never leave the light on much now

G F Am

I get a feeling it's maybe time for sleep

C G

I got the cellular phone whispering I'm alone

F Am

I don't know, but baby it knows that you're home

C G F

Am C

Now I'm not thinking enough

G

And I've been drinking too much

F

Maybe it's time I take my chances

Am C G F

Speak clear, I've been right here where you left me, where you left me

Am C G F

And I...

Am C G F

And I... Oh-whoa-oh...

Am C G F

x2

Am C

And you used to treat me bad

G F

Cause it's all that you're good at
Am **C**
And now you're sticking around
G **F**
Cause you think that I'll hurt myself right now

Am C G F

Am C G F
And I...

F **C** **G**
And pull down the moon
Am **F**
Bring me back to any night with you
C **G**
Turn all the lights off in the room
Am **F**
It's my last chance with you
C **G** **Am** **F**
(Pull down the moon)
With you...It's my last chance with you
C **G** **Am**
(Pull down the moon)
Pull down the moon now

F C G Am

Am C G F
Oh-whoa-oh-whoa...

Am **C**
You sound like a liar (it's all that I'm good at)
G **F** **Am**
But I like your smile, let me see where it goes
C **G**
And if it goes and goes (she doesn't have to know)
F **Am**
We'll just see where it goes
C
And if you treat me bad
G **F**
Can't believe I just said that
Am **C**
And remember when we were young
G **F**
And my heart used to skip a beat with your hands all over me
F **C** **G**
And pull down the moon
Am **F**
Bring me back to any night with you
C **G**

Turn all the lights off in the room

Am

F

It's my last chance with you
