G

Burn everything you have

D/F#

And leave it all behind

Em **D**

Lose all your inhibitions

G

I ll take the mess you made

D/F#

And make it beautiful

Em **D**

If time only stood still forever

C

Hold out your hand and lean upon me

Em

I ll be the one to make you smile

C

Hold out your hand and lean upon me

Em **D/F#**

I ll be the one to make you smile again

C

Hold out your hand and lean upon me

Em

I ll be the one to make you smile

C

Hold out your hand and lean upon me

Em **D/F#**

I ll be the one to make you smile again

G

This moment that we re in

D/F#

Is slow and disappointing

Em **D**

Time will never stand still forever

G

If you take this chance we got

D/F#

And we ll make it beautiful

Em

if you d take my word

D

I d be your savior
